Habiyaremye Marie Diane
Email: h.mariediane@gmail.com
Ref No: 224019537

The University of Rwanda is delighted to inform you that you have been admitted to the programme of Master of Science in Data Science in Data Mining at the College of Business and Economics, academic year 2026. This is a two-year programme.

Please take note of the following requirements for registration:

- The registration fees are the equivalence of FRW 95,000 in total (admission fees 10,000; registration fees FRW 75,000; students life insurance FRW 2,000; student medical insurance FRW 7,000 and student union contribution FRW 1,000)
- **You are expected to register every academic year for the programme**
- The tuition fee is FRW 2,500,000 for the programme
- For payment details please visit UR website (www.ur.ac.rw) under Academic section.
- All payments should be made using your student ID reference number at UR-ACE-DS bank account 00094-07744797-74 (USD) or 00094-07744796-73 (Rwf) opened at Bank of Kigali (BK).
- After successful payment you can register online. For any further queries contact your College Registrar.

On behalf of the University of Rwanda, let me congratulate you for your successful application and wish you success in your studies.

Sincerely,

Dr Noella Josiane Karemera UMUHOZA
Acting Director, University of Rwanda, Centre for Postgraduate Studies (UR CPGS)
